FINAL – Version 1: 03/31/08

Thank you for calling Construction Resources Incorporated, the parent company of Atlanta Marble Manufacturing, Atlanta Kitchen, Atlanta Glass and Mirror, Atlanta Garage Doors and Fireplaces, National Stoneworks and International Bath Corporation.

Our goal has always been to give you prompt attention and quality products at competitive prices. Currently, we are assisting other callers, but we're working hard to answer your call. Thank you for your patience.

Atlanta Marble Manufacturing proudly offers a diverse product line with competitive pricing, but did you know that we have evolved into the largest cultured marble and cast Polymer Company in the southeast? To further expand our extensive product lines, we are pleased to announce new whirlpool tub and sink designs, as well as new innovative edge profiles. In addition, we've added "Decorator Series" cultured marble colors and several new and exciting colors in our cultured granite line. Lastly, Atlanta Marble Manufacturing now offers natural stone, glass and porcelain tile. Please ask about these exciting product additions.

Atlanta Kitchen is our granite, quartz and solid-surface facility and is proud to announce the completion of its granite and natural stone fabrication expansion, as well as the completion of our expanded solid-surface facility. With an extensive inventory of quartz surfaces such as Cambria¹, Silestone², Caesarstone³, and Zodiaq⁴, as well as solid surface products including Corian⁵, Staron⁶, Gibraltar⁷, Hi-Macs⁸, Earthstone, and Avonite⁹, Atlanta Kitchen has quickly become the leader in the kitchen countertop arena. Lastly, ask about our new Artisan Stone Collection which comes with a limited lifetime warranty.

Looking for mirrors, glass shower enclosures, or closet systems? Atlanta Glass and Mirror is one of our full-service sister companies providing frameless glass, mirrors, shower doors, ventilated shelving, melamine closet systems, door locks, bath hardware, exterior shutters, window blinds, gutters and screens. We have an experienced staff with extensive product knowledge and a propensity to conform to the needs of the customer. Please ask for complete details.

Are you in need of a garage door or fireplace? Atlanta Garage Doors and Fireplaces is our sister company offering a full line of garage doors, carriage doors, garage door hardware, garage door openers, and carriage doors. We also offer an extensive line of fireplaces including wood burning, direct vent, vent-free, and outdoor fireplaces. Compliment your new fireplace with one of our mantels, screens or gas burning log set.

International Bath Corporation is another one of our companies under the Construction Resources umbrella offering over 40 different acrylic tub styles, including soaking, whirlpool, and our new line of air-jetted whirlpool tubs.

Did you know Construction Resources recently completed the expansion of its Decatur10 showroom? In addition, we also have a showroom located at 10700 State Bridge Road in Alpharetta. Furthermore, for your convenience, we have opened additional showrooms at 4625 Highway 92, in Acworth, Georgia and in Greensboro Georgia at 1110 Commerce Drive, Suite 110.

Building out of state? Please remember Construction Resources has locations in Santa Rosa Beach, Florida, Tallahassee, Florida, and Birmingham, Alabama. Please visit our website at [www dot construction resources u s a dot com](http://www.dotconstructionresourcesusa.com) for more information about these locations.

Interested in countertops for multi-family housing? National Stoneworks, one of our new sister companies, is a leading importer and installer of pre-fabricated granite and quartz countertops for multi-family construction. Please ask for details when we return to the line.

At Construction Resources, our sales staff has the ability to provide over 50 products from all of its sister companies. This diversity allows the builder and homeowner to simplify ordering, scheduling, and vendor process by dealing with one salesperson and one company, rather than four or five different salespersons and several different companies. Our goal is to provide the residential and commercial builder with a one-stop shop for his or her kitchen, bath and specialty needs. Please visit our website at www dot Construction Resources USA dot com and let us know what we can do for you!

Construction Resources encompasses over 245,000 square feet of manufacturing and fabrication space in Georgia, Florida and Alabama. All of our facilities include the latest state-of-the-art equipment and tooling. We invite you to visit our showrooms, production, and manufacturing facilities. In Georgia, we are located just two miles inside I-285 at 196 Rio Circle in Decatur, near the Dekalb11 Farmers Market. Our Decatur showroom is open Monday through Thursday from 8am 'til 5pm, Friday 8am 'til 4pm and Saturday from 9am 'til 3pm. Our Alpharetta showroom is open Monday through Friday from 10am until 6pm and Saturday from 10am until 5pm. Our Lake Oconee showroom is open Monday through Friday from 9am 'til 5pm, and Saturday from 10am 'til 2pm. And our Acworth showroom is open Monday through Saturday from 9am 'til 6pm. For further directions, please ask when we return to the line.
